

CertX AG  
Passage Du Cardinal 13b  
1700 Fribourg, Switzerland

# CERTIFICATE

CertX hereby certifies that the:

## BMS 3.0

developped by:

**Futavis GmbH**  
**Nerscheider Weg 170**  
**52076 Aachen, Germany**

meets the requirements of the following standards

## ISO 26262 (Parts 2 - 8):2018

The following document is a mandatory part of the certification:  
**Assessment Report AR\_043\_004\_20\_BMS3-0**

### Safety function:

Safety goals as defined in the safety manual,  
Highest occurring ASIL: C

### Application restriction:

According to the scope of ISO 26262:2018

Date of granting: 2022-08-30

Expiry Date: 2025-08-29

Certificate No. 043-004-20-a

This certificate is only valid for the prototype or batch documented in the assessment report.  
It may be used as an argument that subsequently manufactured products are compliant to ISO26262:2018  
as long as they are identical with the certified product configuration as defined in the assessment report.
