

CertX AG
Passage Du Cardinal 13b
1700 Fribourg, Switzerland

CERTIFICATE

CertX hereby certifies that the:

EloPower 35

developed by:

Futavis GmbH
Nerscheider Weg 170
52076 Aachen, Germany

meets the requirements of the following standards

ISO 26262 (Parts 2 - 8):2018

The following document is a mandatory part of the certification:
Assessment Report AR_043_004_20_EloPower35_V2

Safety function:

Safety goals as defined in the safety manual,
Highest occurring ASIL: C

Application restriction:

According to the scope of ISO 26262:2018

Date of granting: 2022-09-12

Expiry Date: 2025-08-29

Certificate No. 043-004-20-b Version 2

This certificate is only valid for the prototype or batch documented in the assessment report.
It may be used as an argument that subsequently manufactured products are compliant to ISO26262:2018
as long as they are identical with the certified product configuration as defined in the assessment report.
With the granting date of this version of the certificate, all previous releases become invalid.
